It discovers the ancient cities of Halicarnassus and Kaunos, the Medieval Bodrum Castle, and Hellenistic rock-cut tombs. Our experience starts around the unspoiled beauty of the river delta in Dalyan and Lake Koycegiz. The rides through the citrus and pomegranate orchards take us to the lovely setting of the ancient theater in Kaunos overlooking the Mediterranean Sea. Our bike routes discover the hidden gems of the small towns and villages. The quiet rides follow the water's edge, weaving in and out of small coves along the crystal blue waters of the Aegean Sea. We journey through the rural areas in the highlands offering perfect vista points overlooking deep canyons and the Gulf of Gokova. The last routes around Bodrum, a popular holiday destination for the rich and famous with a stunning blue coastline, high-end hotels, lively night-life, and a wealth of luxurious yachts. En-route we use the best boutique hotels. Lunches and dinners are served mostly in local restaurants. This incredibly rich program combines the ancient Carian history with natural beauty of the Aegean coastline, the legendary Turkish hospitality with the charming boutique hotels on the beach, and the authentic Mediterranean cuisine with farmer markets.
